Description

This vase, catalogued as Model No. 82 and signed on the base, features an elegant, three-lobed, twisted form. It is decorated with three applied pewter sunflowers, a relatively rare technique in the production of the Denbac manufactory.The superb flammé stoneware glaze displays magnificent bronze-brown, blue and green hues, enhanced by the beautiful drip effects characteristic of Denbac pieces.This is a fine example of Denbac's Art Deco production, combining flammé stoneware with refined pewter appliqués.Height: 16 cmWeight: 440 gCondition: Perfect conditionFast shipping and exceptionally careful packaging, with insurance and tracking included.
