

18th-century Transition-style Chiffonier Table

1 250 EUR

Period : 18th century

Condition : Etat d'usage

Material : Wood marquetry

Width : 46

Height : 74

Depth : 34

Description

Charming little chiffonier table, suitable for the living room, with all sides in rosewood veneer and fillets; features three drawers on the front and a shelf between the legs; top in Louis XV Transition-era veneer. This table is presented in its original "natural" finish, showing signs of use; restoration is possible upon request for a new buffed varnish finish in our workshop . A classic and elegant design.
