Description

A remarkable pair of Louis XIII-style walnut armchairs, crafted in the 19th century. This elegant pair of armchairs captivates with the quality of its craftsmanship and the elegance of its lines, inspired by Louis XIII furniture. Their high backs, wide armrests, and console-style base connected by a sturdy H-shaped brace give them a silhouette that is both powerful and refined. Crafted from walnut, they feature a beautiful patina that highlights the wood's natural grain. Their upholstery has been fully restored in our workshop and reupholstered with an elegant dark green striped fabric, offering excellent comfort while staying true to the classic spirit of these chairs. Sturdy and perfectly stable, these armchairs will naturally find their place in a living room, office, library, or a home with
