Description

A monumental, life-size work by Dutch artist Bart Stillekens (born in 1993 in Tilburg), whose work has been exhibited internationally, notably at Art Rotterdam, Art Dubai, and Maison & Objet Paris. "Samurai 002" is a mixed-media sculpture on polyresin (220 x 80 x 80 cm), in which the traditional iconography of the Japanese samurai is reinterpreted as a contemporary sculptural statement--reflecting Stillekens' fascination with craftsmanship, materials, and historical imagination. This is a unique piece (edition 1 of 1, 2025), fully hand-signed by the artist and accompanied by an official, sealed certificate of authenticity. A rare opportunity to acquire an original, museum-quality work by an emerging artist exhibited internationally--a flagship piece with high investment value, perfect for a gallery,
