Description

An elegant oil on canvas depicting a still life with roses, accompanied by a fan, a jewelry box, a pearl necklace, and a pair of gloves. The refined and intimate composition evokes the feminine world of the Belle Époque. The painter subtly plays with the translucency of the vase, the reflection in the mirror, and the fabrics, in a beautiful harmony of gray-green enhanced by white, pink, yellow, and purple roses. A decorative and delicate work, executed with a supple and masterful touch. Oil on canvas, signed lower left Central European School, circa 1900-1920.
