Description

An elegant portrait of a young peasant girl with a pitchfork, depicted in three-quarter profile against a rural landscape. The young woman, with a delicately painted face, wears a white dress and a shawl in soft hues. Her hair is adorned with an elaborate floral arrangement of red and blue flowers, while several strands of pearls complete her ensemble. The scene is set within a magnificent oval frame made of carved and gilded wood, richly decorated with floral and foliage motifs in relief. The intricately crafted frame highlights the decorative and elegant nature of the work. The painting features a beautiful palette of soft, luminous colors, as well as meticulous rendering of the face and fabrics.
