Description

Vintage 1950s illuminated side table in the Venetian/Baroque style. This elegant accent piece serves as a pedestal or end table, ideal for showcasing a sculpture, a vase, or a plant. Materials: White-painted wooden frame, gilded moldings, sides paneled with egloomized mirror glass engraved with floral motifs and scrollwork. Built-in lighting: The piece is illuminated from within to create a soft, intimate atmosphere and highlight the engravings on the glass. Original switch built into the top rear of the piece. Details & Finishes: Flared trapezoidal shape, curved top shelf with gilded frame and engraved glass top. In good original condition, with slight chips on the mirror (visible in the photos) that add to its charm and authenticity. Functional electrical system with power cord and
