Description

A beautiful painting depicting a village scene, featuring an old house with light-colored walls and a red-tiled roof, set against a backdrop of lush vegetation. A female figure dressed in red brings the scene to life in the foreground. The composition stands out for its warm, slightly muted color palette, dominated by ochres, earth tones, reds, and greens. The visible, free-flowing brushwork sensitively captures the atmosphere of a rural village. The work is signed by Jacques-Paul Besson-Dandrieux.
