### Description

Plate signed by Jean Marais with a dreamlike enamel design from the 1970s. Created in the 1970s, this signed enameled plate is by the artist Jean Marais (1913-1998), originally known as a legendary actor in French cinema and for films such as *\*Beauty and the Beast\** and *\*Peau d'Âne\**. He decided to pursue a career in ceramics, a career influenced by Jean Cocteau and his stays in Vallauris. Although passionate and self-taught, it was the Vallauris-based ceramicist couple Jo and Nini Pasquali who taught him the basics, such as wheel-throwing, firing techniques, and glazing. Jean Marais's creations stand out for their striking surrealism. This decorative plate is designed to be hung on the wall and will impress with the quality of its craftsmanship and the artist's signature dreamlike
