Description

In a harmonious palette of blue, here is an abundance of forget-me-nots and other blue flowers in a very large and beautiful Murano glass mosaic frame. Its frame is made of gilded wood, and its original glass is beveled; it is designed to be placed on a surface. Italian mosaic frames are made of glass rods that are cut and then assembled. These are the same rods used to create glass inlays, where the rods are inserted into the molten clear glass. Oval dimensions: 18 x 13 cm Shipping available in France and internationally; contact me for details
