Description

Set of 10 Baccarat crystal champagne glasses, a model produced by the St. Louis and Baccarat crystal factories, which shared the same catalog until the mid-19th century; similar to the current Trianon model. This model, featured in the 1841 catalog of the Baccarat and St. Louis crystal works, first appeared during the Restoration. These glasses were produced in the second half of the 19th century; therefore, they are not signed on the base (the acid-etched mark has been present on the crystalworks' products since 1936). All glasses are in perfect condition. Other glasses of this model are available in our gallery.
