Description

Oil on panel. 18th-century Dutch school. The man portrayed is the well-known Dutch anatomist, anthropologist, and naturalist Petrus Camper (1722-1789), of whom there is another portrait very similar to this one, painted by Tibout Regters. In this version, however, the back of the painting bears an attribution to George Van Der Mijl (1727-1763). The painting is presented in a period frame. ARARPI0314390
