Description

Ceiling lamp, dating from the 1960s-1970s, a distinctive example of Italian modernist design, inspired by the style of Gaetano Sciolari. The structure is made of steel with chrome, satin-finished, and lacquered finishes, which give it an elegant and sophisticated look. The design features nine light points, each fitted with a glass sphere, which cast a warm and inviting glow. The geometric composition and choice of materials reflect the innovative aesthetics of the era, making it ideal for spaces seeking a touch of sophisticated vintage style. Perfect for illuminating spaces such as living rooms or dining rooms, this lamp not only provides light but also enhances the decor with its unique design. MOILIL0276814
