Description

The "699 Superleggera" chair collection, designed by Gio Ponti for Cassina in the 1960s, is an iconic example of Italian design. Crafted with an ash wood frame, these chairs feature a light and refined aesthetic. The seat, recently refurbished, is upholstered in a green-toned fabric, adding a touch of freshness and modernity. The entire set has undergone a meticulous restoration, which included the wooden frame, the padding, and the fabric upholstery, thus ensuring the preservation of their original elegance and functionality. Thanks to their timeless design and high-quality craftsmanship, these chairs blend harmoniously into a variety of interior styles, from classic to contemporary. MOSESE0291750
