

18th-century Gilded Wooden Mirror

380 EUR

Period : 18th century

Condition : En l'etat

Material : Gilded wood

Width : 36,5

Height : 61 cm

Depth : 4 cm

Description

A gilded wooden mirror with a cut-out design, dating from the 18th century and in the Louis XV style. It may also be a Venetian piece from that period. The back consists of a thick board. Note the reinforcement applied to the upper rear section, which was originally the most fragile part. A beautiful wrought-iron hook ensures a secure mounting. The glass is slightly pitted in places and has a few scratches.
