

Rouen Earthenware Inkwell (18th Century)

325 EUR

Period : 18th century

Condition : Très bon état

Material : Earthenware

Length : 27cm

Width : 18cm

Height : 9cm

Description

This "grand feu" decoration, inextricably linked to Rouen production, marks the final golden age of this earthenware, which would soon face competition from porcelain. This inkwell features a magnificent decor of various flowers and butterflies, as well as handles shaped like faces. This superb piece is in very good condition.
