Description

Store Display CasePeriod: Late 19th century.Origin: France. This counter or store display case is crafted from high-quality solid oak.It is currently covered with old paint and would benefit from careful stripping.This process will reveal the superb natural grain of the original wood.The piece opens at the front with two rectangular glass doors.Please note that one of the door panes is damaged and will need to be replaced.The top shelf is also entirely glazed to provide maximum clarity.The glazed sides allow for full visibility from every angle.The interior back panel is lined with an original period mirror.This mirror adds beautiful depth to the objects displayed inside.The interior features three shelves made of particularly thick white glass.These shelves rest on solid brass rails

recessed into each side. The adjustable supports are made of antique solid brass with a gilded finish. This sturdy system allows for precise height adjustment of the shelves. This type of commercial furniture is not the work of a single designer. It was crafted by master cabinetmakers and highly skilled carpenters. These artisans worked for workshops specializing in the interior design of luxury boutiques. The design emphasizes straight, functional lines of great simplicity. Traditional joinery ensures the sturdiness of this particularly substantial piece. Its compact dimensions make it easy to integrate into a modern interior. Dimensions of the item:

Height: 90 cm Width: 100 cm Depth: 34

cm Condition report: The piece is sold as-is. The

oak frame is sound, solid, and perfectly

stable. The surface paint should be cleaned or

removed according to your preference. A broken

door glass pane needs to be replaced by a

glazier. The mirror back shows some minimal

signs of natural oxidation, which attest to its

authenticity. The interior gold-plated brass

mounting system is complete and

functional. ATTENTION! For home deliveries

handled by our carriers, please feel free to request
