Description

We are pleased to offer this unique chandelier, dating back to the early 1900s, with 12 light bulbs. The chandelier features a Provençal-inspired design with elements that evoke nature (including references to leaves and flowers). Chandeliers like this are typical of French and Italian country homes. Crafted with an iron frame and decorative details in brass and wood, the color scheme creates an elegant contrast between antique gold and a delicate pastel sage green. The patina and signs of wear consistent with its age give it an authentic vintage and weathered look, creating a unique visual accent. It features twelve arms arranged on two levels, finely decorated to hold the twelve light bulbs. This chandelier exudes a rustic yet refined charm, ideal for pairing with raw materials such

as solid wood and exposed stone; it would be perfect for country homes. Please note that the height listed is the total height; the chandelier without the chain (body only) measures 90 cm / 35.4331 inches in height. You can add or remove links from the chain to adjust the total height. The chandelier comes with a new electrical system. If necessary, we can adapt the light socket to your destination country, but please contact us and request this before placing your order. The chandelier is in good condition with signs of wear consistent with its age, particularly on the lacquer finish. Please view all the detailed images. We ship worldwide; contact us for a personalized quote, providing your ZIP code and destination city. Note: The image of the item for sale in a specific setting is for illustrative purposes only. Please review the additional detailed images and the full description, including the dimensions, to ensure the item will fit well with your home's decor.
