of our photos for commercial or promotional purposes is strictly prohibited and subject to legal action. NOTE: All our watches are serviced by our watchmakers to give them a second life and restore them to the best possible condition.

However, these watches are still pre-owned and may show some signs of use. Additionally, when necessary, the dials are refurbished by a master craftsman. It is also possible that the dials were replaced in the past by the manufacturers themselves (by Cartier, Rolex, etc., after-sales service) as part of the refurbishment of your watch. We guarantee the authenticity of all our watches. Any warranty begins on the date the watch leaves our workshop. Since this timepiece is pre-owned, no water resistance guarantee will be provided. We are, of course, here to assist you and provide the best possible information regarding the condition of these watches.

RETURN POLICY: Due to numerous instances of abuse, we would like to clarify that returns are accepted within 14 days, provided the item is returned in the same condition in which it was sold. The return is void and therefore invalid once the watch has been worn or damaged in any way (impact, broken or lost glass, missing screws or any other parts, water damage, etc.). Please remember that you are purchasing a high-end watch; we recommend that you take the utmost care of it. This watch is not designed for sports, swimming, showering, visiting a steam room or sauna, or any other high-risk activities. Ref_1156
