Description

This set features solid silver mountings of 1st title (1260g), stamped with the "Minerve" hallmark, crafted by silversmith Antoine Cosson of the "Cosson-Corby" firm (1851-1879), located at 41 Quai de l'Horloge in Paris. The glassware is made of Bohemian crystal, predominantly blue. It includes:- A double oil cruet holder and two decanters with their silver stoppers (one handle has been restored)It consists of an oval tray with a shell motif, to which are attached the two oil cruet holders decorated with ironwork and the two stopper holders featuring rocaille and floral motifs. A superb carrying handle, attached in the center, features a motif of a serpent coiled around a vine. It rests on four arched feet.- Two double salt cellars with their crystal salt cellars set in the same manner as the carafes and featuring handles
