

Early 19th-century Box With A Domed Lid, Made Of Straw Marquetry

160 EUR

Period : 19th century

Condition : Bon état

Material : Other

Diameter : 7 cm

Height : 10 cm

Description

This is what it looks like when folk art works its magic. A straw marquetry box crafted from tiny square pieces patiently assembled into geometric patterns, with the fibers running in one direction and then the other to create a luminous effect when the straw reflects light. Its convex lid is topped with a small ivory knob; it rests on three legs and dates from the early 19th century.
