

Pair Of Lace Curtains, Renaissance Lace

120 EUR

Period : 20th century

Condition : Très bon état

Width : 60cm

Height : 78cm

Description

A very pretty pair of sheer curtains, made of cotton percale and handmade lace, in a "butter" color, measuring 60 cm x 78 cm for each panel. These dimensions are ideal because they match the size of modern windows. A pair of authentic curtains, never washed, so in very good condition, with a few rust spots from the closet that will come out after the first wash. The design is typical of the 1920s; the lace is entirely handmade. A scalloped bobbin lace border frames each panel. The scalloped lace at the top allows for the insertion of a small curtain rod, which is easy to install.
