Description

Stone statue depicting Saint Anne, the mother of the Virgin Mary, holding the Bible with her. This depiction is a classic of Christian tradition. The style of this statue is clearly medieval, dating from the 15th century. But since I am not an expert, I prefer, by prudence, to date it from the 19th century. The price reflects this assumption. The stone is riddled with small holes and tiny shiny particles, as can be seen in the photos. It weighs 1.8 kg. Ref X4Y-09XX
