### Description

Art Nouveau chest of drawers in ash and maple, attributed to Ernesto Basile, crafted by the Grandiosi Magazzini Emporio Roma in Palermo in the early 20th century. The piece features a front with six drawers, with the first two--smaller in size and placed side by side--displaying a painted floral decoration that extends harmoniously across the entire piece. The top is protected by glass, while an elegant apron with turned side finials enriches the upper section. The metal handles and vents complete the refined design. A perfect example of Italian Art Nouveau craftsmanship, this chest of drawers combines functionality and aesthetics, making it ideal for settings that highlight historic design. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to
