Description

A late 19th-century walnut sideboard from Italy, characterized by an elegant and functional design. The upper section features a pair of glass-fronted doors, allowing you to gracefully display precious objects or porcelain, while the three height-adjustable interior shelves offer flexibility in organizing the space. The sturdy base, featuring a pair of under-counter drawers, has paneled doors that conceal additional storage space. The cantilevered legs provide stability and add a classic touch to the entire piece, making it a distinctive feature in both traditional and modern interiors. Product Condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos.
