Description

Pair of Napoleon III armchairs in walnut - 19th century
A very beautiful pair of Napoleon III armchairs in walnut, dating from the second half of the 19th century. Their elegant lines are characteristic of the Napoleon III style, featuring a generously shaped medallion backrest, carved armrests, and curved legs. The armchairs have been carefully restored in our workshop and are in very good condition. They are fully upholstered and covered in a lovely fabric with a diamond pattern in shades of powder pink and ecru, adding an elegant and refined touch to the set. A beautiful, decorative, and comfortable pair, ideal for a living room, bedroom, or reception room. Delivery in France: EUR200 To make an informed purchase, please feel free to call me at 0620396288
