

Wrought-iron Floor Lamp

350 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Height : 186

Description

Very large painted wrought-iron floor lamp with gilded decorations. It features a Nancy glass bowl signed by Muller Frères. Unfortunately, the bowl has a significant chip, but once the lamp is assembled, it isn't very noticeable. I have taken this into account when setting the price. Total height: 186 cm with the bowl
