

Rare Arita Porcelain Teapot, Japan, 18th Century

800 EUR

Period : 18th century

Condition : Très bon état

Material : Porcelain

Height : 19 cm

Description

Featuring primarily around the rim and on the lid, archaic characters--including one meaning "Longevity," etc. Alternatively, the Imari-style decoration reveals porcelain of very fine quality, reminiscent of pieces from the Shibata Collection, where two teapots of the same shape appear but with different decorations; both are dated between 1770 and 1820. The handle is twisted, similar to those on baskets. Very good overall condition. Height: 19 cm Carefully packaged and insured for worldwide shipping; for other destinations, please contact me to adjust the shipping costs.
