

Pair Of Large White Marble Candlesticks, Circa 1800

4 200 EUR

Period : 18th century

Condition : Très bon état

Diameter : 16

Height : 38

Description

A pair of large white marble candelabra consisting of a quadrangular pedestal supporting a column topped by a gilded bronze capital in the shape of a basket, the whole resting on a base of opaline white marble set with a gilded bronze gallery, retaining its original gilding. Russian or German work, circa 1800.
