Description

Modern Cubist sculpture paying homage to Henri Laurens. This modern Cubist sculpture is a meticulous reissue that pays homage to the sculptural work of Henri Laurens and the masters of the avant-garde. The piece consists of geometric shapes and fragmented planes that come together in an abstract and dynamic composition. Set on a stable base, this modern Cubist sculpture makes for an elegant decorative piece in a contemporary interior. It requires no assembly and can be placed directly on a console table or pedestal to enhance the space. Please contact us before ordering to confirm product availability. Dimensions: H 70x22x23 cm
