Description

Elegant Napoleon III-style desk with drawers, dating from the late 19th century, crafted from walnut. It features a beautiful front panel, adorned with fluting, carvings, and decorative details in relief. The desk features nine drawers on the front, divided into two compartments, as well as a central drawer. The bronze handles and lock plates add a beautiful finishing touch to the piece. The top is framed by elegant molding and upholstered in leather, giving this desk a particularly refined presence. It can be disassembled into three parts for transport. A high-quality piece of furniture, both decorative and functional, ideal for an office, a library, or a home with character. Delivery in France: 200 euros (free if not too far away) For more information and to make an informed purchase,
