Description

Marble Sculpture - Female Bust - Signed Lebrun
An elegant marble sculpture depicting a female face, rendered in a decorative style with soft, stylized lines. The delicately sculpted face has a serene expression and a slight smile. The hair and headdress blend naturally with the shape of the marble block, parts of which have been intentionally left with a rougher texture, creating a lovely contrast with the polished finish of the face. The stone, with a slightly veined cream hue, has a beautiful texture and a natural patina. Work signed Lebrun. A few visible marks, small blemishes, and signs of wear, consistent with the age and nature of the stone. Material: marble
Signature: Lebrun
Dimensions: H. 23 × W. 16 × D. 9 cm
A charming decorative sculpture, ideal for both traditional interiors and more
