Description

This beautiful framed composition, mounted under glass, is in very good condition and ready to hang. A charming still life, created using mixed media (watercolor and gouache), circa 1900-1920, depicting a generous bouquet of violets placed on a wooden ledge where a few fallen flowers rest. I was unable to identify the signature, but it is likely J. Ruiz... The oval frame adds a great deal of charm. Some reflections visible in the photos are caused by the glass and do not exist in reality. Dimensions with frame: 27.5 x 21.5 cm. Shipped with an invoice; fast, careful, and very secure.
