Description

A thick, heavy 16-cm key--a barn key, for example--solidly forged from a flat lingot, with a ring formed from two strands joined and hot-forged together, a rolled shank , and a bite consists of two blades joined and hot-hammered together, as can be clearly seen in our close-up photo; the keyways are open, with vertical and oblique cuts made with a saw. A substantial piece of work, showcasing fine craftsmanship for a utilitarian and rustic object....But
