

Zoomorphic Corbel Medieval 12th/13th Century

1 250 EUR

Period : Before 16th century

Condition : Etat d'usage

Material : Stone

Length : 30 cm

Height : 13 cm

Description

Large zoomorphic stone head, likely depicting a ram or a lion with a curly mane. Certainly a modillion; has an old break on the back and signs of weathering, but the object is still quite legible, and the details are clearly discernible; it has a strong presence. France, 12th/13th century, Romanesque or early Gothic art. Formerly in a French collection.
