

German Porcelain Soup Tureen In The Meissen Style, Late 18th Century.

1 950 EUR

Period : 18th century

Condition : Très bon état

Material : Porcelain

Description

A German porcelain soup tureen in the Meissen style, dating from the late 18th to early 19th century. It features a refined decoration characteristic of the production of that era. The visible mark, of the crossed swords type, is consistent with Meissen marks. However, it appears particularly faint and worn, or may correspond to an underglaze blue mark that has lost its intensity over time. An antique piece with authentic charm, of interest to collectors of European porcelain.
