Blue Cut Crystal Stemmed Bowl - Early 20th Century
An elegant blue-lined crystal stemmed bowl, featuring a rich wheel-cut design of long, radiating ribs and lanceolate motifs that reveal the colorless crystal. The circular bowl, accented by a scalloped rim, rests on a central stem of clear crystal topped by a square, faceted base featuring geometric decoration. The depth of the blue, combined with the brilliance of the faceted crystal, gives this bowl a striking decorative presence. Dated to the early 20th century. In perfect condition.
