

## Frosted Green Glass Planter With Gold Relief Decoration, Shaped Like A Gondola, Circa 1900

350 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

### Description

Large frosted green glass planter, shaped like an elegant gondola with raised ends. The piece is adorned with a rich gold relief decoration featuring foliage, trellises, floral motifs, and a frieze of waves highlighting the hull. The decoration, generously rendered in relief, stands out elegantly against the frosted surface of the green glass and accentuates the dynamic lines of the form. A beautiful decorative piece from the late 19th-early 20th century, suitable for use as a centerpiece, planter, or serving bowl. Dimensions: length 27 cm, width 11 cm, height 17 cm.
