Description

A significant oil on canvas signed "Godchaux" in the lower right corner, depicting a vast, lively harbor scene featuring sailboats, rowboats, and figures. A very beautiful composition in an exceptional size of 130 × 81 cm, presented in its imposing antique gilded wooden frame (150 × 100 cm). The canvas is in remarkable condition and appears to have retained its original state. The antique frame, however, requires restoration. This work is comparable to that of Alfred Godchaux (1835-1895), a French painter renowned for his landscapes and seascapes.
