Height : 40

Description

This old portrait of a bearded man (probably the apostle Peter) dates from the 18th century and, due to its strong stylistic similarities, has been attributed to the famous German landscape and portrait painter Christian Wilhelm Ernst Dietrich Dietrichy (1712, Weimar - 1774, Dresden). For comparison, see other photos of similar works by the same artist from the collection of the Hermitage in Saint Petersburg. The artist traveled to Rome and Venice in 1743; the works presented here date from this period. Dietrich's complete biography (in German) can be found in *Allgemeines lexikon der bildenden Künstler von der Antike bis zur Gegenwart* by Ulrich Thieme and Felix Becker, Leipzig, 1999, or online on Wikipedia at the following link:http://de.wikipedia.org/wiki/Christian_Wilhe
