

Rare 18th-century Painted Wooden Ballot Box

900 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 24

Height : 32 cm

Depth : 13 cm

Description

Rare painted wooden voting urn. A small stone was placed in the compartments below the "yes" and "no" options; it was likely used for voting by a religious congregation. Beautiful decoration depicting the chalice of the Eucharist. Marked: second half of the 18th century
