Description

We are pleased to present this elegant Italian dining table dating from the early 20th century. Crafted from a combination of walnut and oak, this table features very clean lines, free of excessive ornamentation. Its design features simple yet elegant lines, with a rectangular top with rounded corners that can be extended thanks to a central opening. The tabletop is supported by four solid, finely turned oak legs. Functionally, it features an additional panel in the center for when you have guests for lunch or dinner. Thanks to its compact size and simple yet refined lines, this table fits perfectly into any setting: in a modern or classic kitchen, or in a living room. It is in excellent condition with minimal signs of wear consistent with its age. Consider adding this table to your home today. If you love antique Italian

furniture, this table is a must-have for your home. Please note that the extended tabletop measures 186 cm (73.2283 inches) wide and 96 cm (37.7953 inches) deep. Additionally, to assess comfort, consider the legroom from the floor to the tabletop, which is 65.5 cm (25.7874 inches). The additional tabletop used to extend the table is new, made of fir wood, and designed to be used when the table is covered with a tablecloth, serving simply as a support surface.
