Description

A set of six chairs from the 1950s, crafted from stained beech wood, with walnut-veneered backs that lend them a timeless elegance. The foam padding offers lasting comfort, while the recently added velvet upholstery adds a touch of modernity with three different vibrant shades. These chairs are in good condition, ideal for enhancing both classic and contemporary spaces with vintage charm. The sturdiness of the beech wood and the sophistication of the velvet upholstery make them a versatile and distinctive piece of furniture. MOSESE0323835
