120 EUR

Period : 20th century

Condition : Parfait état

Material : Glass

Width : 13 cm et 25 cm avec l'abat jour

Height : 28 cm et 43cm avec l'abat jour

Description

"Glass bowl-shaped vase with a design featuring nuanced shades of green and purple, imitating the iridescent sheen of gemstones such as malachite or amethyst, and gold glitter, creating a "floating" iridescent effect. A unique, handmade piece by French manufacturer Laque Line, circa 1980-1990. Original label under the vase, in very good condition. Electrical components in working order. Custom lampshade, made by me.
