

## 19th-century Mechanical Pen Sharpener

350 EUR

Period : 19th century

Condition : Bon état

Material : Brass

Length : 10.7 cm

Width : 1.5 cm

### Description

Mechanical quill sharpener, likely from the 19th or 18th century. Metal, brass, and natural materials. An object used to sharpen goose quills mechanically using a die. A retractable blade was used to trim the feather, and a final mechanism was used to cut the tip. In good condition. Note that the small retractable blade is interchangeable.
