A very lovely painting with a delicate and charming subject--a little dog lying next to a pack of smoking tobacco. Beautiful painting technique! Oil on canvas, retaining its original patina! Monogrammed and dated 1881. Marked "Kixi"--likely the little dog's name. Dimensions: 36x31 cm with its period gilded frame, and 27x22 cm without. Visually stunning painting. High-quality and very decorative!
