Description

Mid-1800s French Transition-style chest of drawers made of mahogany. The piece features a compact and slender structure, with three spacious drawers on the front, embellished with a refined wood veneer featuring warm, geometric grain patterns. The drawers are framed by moldings and decorative motifs that highlight the front's design, while the bronze pull handles add an extra touch of elegance. Origin: France Period: mid-1800s Style: Transition Dimensions: 59x34x82h cm SKU: 17525
