

A Green Opaline Perfume Bottle Adorned With Gold Pompon Lace

280 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Diameter : 5 cm

Height : 10.5 cm

Description

This Napoleon III-era opaline glass has a beautiful green color. Pear-shaped, this bottle is adorned with gold pompon lace and topped with a hinged stopper; it also features a handle, giving it the appearance of an amphora. I believe it most certainly had a small glass stopper to seal the bottle airtight. Shipping available within France and internationally; please contact me for details
