Two Antique Linen Cushion Covers - Blue And White Checkered Pattern

190 EUR

Period : 19th century

Condition : Très bon état

Material : Linen

Description

A beautiful set of two rectangular cushion covers, made from a vintage 19th-century linen fabric with a charming blue-and-white checkered pattern. The fabric features a very pretty pattern of stripes and checks in various shades of blue, typical of the timeless charm of vintage fabrics. The covers are edged with a fine blue piping, giving them a particularly refined finish. The back is made from a solid blue cotton canvas, and each cover is equipped with a zipper, allowing the cushion to be easily removed. The vintage fabric is in good overall condition, with small irregularities and variations that attest to its age and give it its unique character. A charming set, ideal for adding a vintage, elegant, and warm touch to an interior--whether on an armchair, a wingback chair, or a sofa. Dimensions of each
