Description

An elegant cutlery set for six people, made of 0.900-purity silver and stainless steel (knife blades). It consists of 6 knives, 6 spoons, 6 forks, 6 teaspoons, 6 small spoons, 6 knife rests, 1 serving spoon, and 1 ladle. The handles feature a geometric shape, flaring slightly toward the top, with beveled edges. The functional parts (spoons, fork tines) are inspired by the classic shape of European tableware. The handles are adorned with raised relief, in the traditional style of Vietnamese craftsmanship. The relief depicts a bucolic landscape: a peasant wearing a conical hat (nón lá) walking along a path carrying a basket, a tree in full bloom (a plum or cherry tree), and a traditional thatched cottage. Vietnam, 1960s. 0.900 fine silver, stainless steel knife blades. Silver hallmark imported from Poland,
